Who We Are

Hodari Africa is a forward-thinking team of project management specialists who are driven by the uncertainties of the African real estate development market. As a team of passionate individuals, we go above and beyond to deliver innovative solutions to complex challenges, even in the most demanding territories.

The premise of Hodari Africa is to create jobs and thereby improve lives. In order to achieve this, our team acts as a united front to carefully examine each unique project and its challenges, and thereby develop a strategy that will get the client to the ribbon cutting ceremony without any compromise.

With our team by your side, you can always Consider it Done.
